

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

CENTER RIDGE WATER DISTRICT NO. 2)	
_____)	CASE NO. 2008-00145
)	
ALLEGED VIOLATIONS OF 807 KAR 5:066)	

O R D E R

On August 8, 2008, the Commission set this matter for hearing on September 30, 2008. Since that time, Commission Staff has advised us of its efforts to resolve the issues in dispute and to develop a plan to improve the quality of service that Center Ridge Water District No. 2 ("Center Ridge") presently provides and to better the financial integrity of that utility.

In light of these efforts and the need for additional time to memorialize for our review any agreements between Commission Staff and Center Ridge, the Commission finds that the hearing should be continued generally. The Commission further finds that, within 30 days from the date of this Order, Commission Staff should file in the record of this proceeding a written status report concerning its negotiations with Center Ridge. If no resolution of the issues has been achieved within that time period, this case will be rescheduled for hearing.

IT IS THEREFORE ORDERED that:

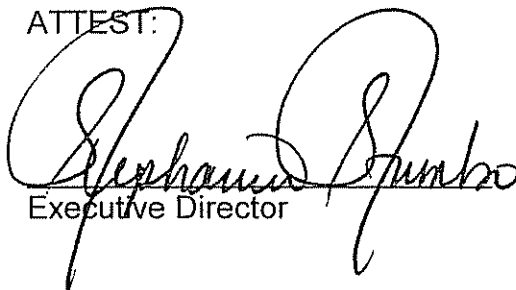

1. The hearing in this matter is continued generally.

2. No later than 30 days from the date of this Order, Commission Staff shall file with the Commission a written report on the status of its efforts to resolve the issues in this case.

Done at Frankfort, Kentucky, this 26th day of September, 2008.

By the Commission

ATTEST:

Stephanie Spumbo
Executive Director
